

Alfresco Contemporary Glass Room

The Simplicity Alfresco Glass Room is a stunning wall mounted structure that is enclosed with glass doors. It is extremely versatile and can be used for many applications.

It is particularly perfect for use as a swimming pool canopy due to the large 6m span between posts, it leaves the view of your garden and surrounding areas untouched. The glass sliding doors enable you to use your outdoor pool all year round even in the snow or rain whilst watching the snowfall or hearing the relaxing rainfall whilst you take a dip.

The Simplicity Alfresco Glass Room can cover larger area with its 6m span and its unlimited length, allowing you to enjoy the outdoors all year round, in all weather conditions with the sliding glass doors.

The Alfresco Glass Room is ideal for a variety of applications including:

- ✓ Verandas
- ✓ Garden Canopies
- ✓ Play Areas
