

MANUAL UNDER BLIND

Our Under blinds are designed with heavy-duty spring tension for smooth, consistent movement, facilitating effortless manual operation. Designed like a sail blind, they provide excellent coverage and shade, enhancing comfort in verandas, canopies, carports, and glass rooms.

Elevate your veranda, canopy, carport, or glass room with our Under blinds, the perfect fusion of functionality, elegance, and durability. Made from Soltis 92 Screen Material, a high-grade external screen fabric, these blinds are incredibly strong, resistant to stretching, and also fire-resistant. They come with a 5-year guarantee for colour fastness, ensuring enduring vibrancy.
