Benefits

Sleek Modern Design: Perfectly complements modern homes and new builds with its streamlined aesthetics.

All-Aluminium System: The Alfresco Contemporary is constructed entirely from aluminium for exceptional longevity and minimal maintenance.

Integral Aluminium Guttering and Easy-Fix Profiles: Features a sleek, integrated design that is stronger than traditional external guttering, with hidden cabling for a cleaner look.

Full 10-Year Guarantee and 25-Year Life Expectancy: Crafted from the highest grade materials to ensure durability and a long lifespan for the Alfresco Contemporary.

Roof Panels: Available in 8mm toughened glass, with options for clear or grey tinted panels to suit your style.

Features

Toughened Glass: The 8mm glass panels are toughened during manufacturing and achieve Class 1 BS EN 12600 for impact performance.

Low Maintenance: All roof options are low maintenance, particularly the glass, which means less cleaning, saving you time and money.

High Light Transmittance: All clear glass roof options offer high light transmittance. Grey-tinted glass will reduce these effects.

6m Projection: With 6m between posts for an uninterrupted view.
