

THE SIMPLICITY FREE APEX

The Simplicity Free Apex is designed for those who desire a more substantial and traditional outdoor structure. Featuring a double-pitched roof, this elegant system is perfect for creating large, open spaces that offer both style and function. Ideal for use as a veranda, carport, or glass room.

For those looking to make a statement with their outdoor space, the Sim Free Apex combines traditional elegance with modern functionality, providing a spacious, customizable shelter that suits any setting.

- ✓ Verandas
- ✓ Carports
- ✓ Outdoor Porch Areas

Benefits

All-Aluminium System: Built entirely from aluminium, ensuring long-lasting durability and low maintenance.

Quick Installation: Features a simple fixing mechanism and easy-glaze roof system for fast and efficient installation.

Generous Coverage: Offers a spacious 6m width with a 4m projection, providing ample shelter for larger outdoor areas.

Two Roof Options: Available with 6mm toughened glass or 6mm UV-activated self-cleaning glass, reducing cleaning requirements by breaking down organic dirt.

Features

Double-Pitched Roof: A robust design spanning 6m in width with a 4m projection, ideal for larger spaces and expansive coverage.

Free-Standing Flexibility: Install it anywhere on your property as a free-standing structure, or wall-mount it to suit your layout.

High-Quality All-Aluminium Build: Engineered for durability and minimal upkeep, providing a long-lasting solution for your outdoor areas.

Effortless Installation: Comes with a simple fixing mechanism and an easy-glaze roof system for quick and hassle-free setup.
