

THE VERSATILE SIMPLICITY XTRA

Our Simplicity Xtra veranda is a versatile system that elegantly serves as a canopy, carport, or veranda, available with either 6mm toughened glass or 6mm self-cleaning glass. This stylish and robust structure is crafted from the finest materials to provide durable shade and shelter that enhances any setting.

Available upgrades include integrated lighting and heating, as well as traditional post sleeves, all designed to improve your outdoor experience.

- ✓ Verandas
- ✓ Garden Canopies
- ✓ Carports

Benefits

All-Aluminium System: Constructed entirely from aluminium, this system guarantees exceptional longevity and ease of maintenance.

Easy Installation: Collaboratively designed with one of the industry's leading extrusion designers, this system includes the simplest fixing mechanism possible, featuring an easy-glaze roof system for quick and efficient installation.

Cover Large Areas: The Simplicity Xtra is ideal for expansive spaces due to its unlimited length capabilities and a projection of up to 4 metres.

Three Roof Options: Choose from 6mm clear toughened glass or 6mm toughened self-cleaning glass. The self-cleaning option that benefits from a UV-activated coating which actively breaks down organic dirt. Tinted Glass options are also available.

Features

Up to 5m Between Posts: The front posts for the Simplicity Xtra can have spacings of up to 5m for uninterrupted views.

Low Maintenance: Particularly if the self-cleaning glass is chosen, less cleaning is required, saving you time and money.

Integral Aluminium Guttering: Creates a sleek, modern design which is stronger than external guttering systems, has a sleek appearance and requires minimal maintenance.

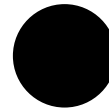

Simple Fixing System with Minimal Parts: For a quick and easy installation.

Available Upgrades: Enhance your outdoor living solution with our range of upgrades, including Victorian, Lighting, Heating, Shading, and more.
